EXHIBIT B: OBJECTION OR COMMENT

I object to the notice and the motion for Unitary status from the Franklin County School District. My grandson who I had guardianship over was in the Franklin County School District from August 2009 until May 2012. I sit in on all of his class quite often during the 3 years I had many encounters with the school systems that I wrote about in my statement on April 1, 2016. My biggest concern was my grandson's State exam in Biology given by Mr. Randy Youngblood was tampered with because of personal feelings that caused him not to graduate. (see attached sheet)

After my grandson left the school. I heard that Mr. Youngblood was caught grade tampering and was transferred from the High School to the Elementary. The rumor was confirmed because I ran into Mr Youngblood at the Elementary at a meeting I attended there and he told me he was working there. My thought is anyone else would have been fired not transferred, especially if they were black.
